### **April 7 @ 10 a.m.**

**Speaker:** John Herndon

**Title:** “*Beyond Why and What*”

Childcare is available for children under the age of 5 and a Religious Education (RE) class for school-aged children will be offered during the service.

---

### **April 14 @ 10 a.m. Live and on YouTube**

---

### **April 21 @ 10 a.m.**

**Speaker:** Rev. Dr. Claudia Hall

**Title:** “*Preaching to the Principles*”

#3 - Acceptance vs Encouragement. How do we balance the need to accept others (and ourselves) where they are, and the need to encourage others (and ourselves) to achieve more? We look to our Six Sources for wisdom to navigate between these two positions.

Childcare is available for children under the age of 5 and a Religious Education (RE) class for school-aged children will be offered during the service.

---

### **April 28 @ 10 a.m.**

**Speaker:** Robyn Berkley

**Title:** “*Democracy - The Joys and Challenges of Democracy*”

**Summary:** Our 5th Principle supports the right of conscience and the use of the democratic process within our congregations and in society at large.

While valuable and important, the democratic process is not perfect and poses challenges. As Unitarians we embrace democracy, but we need to fully understand the implications of its use.

## Rev. Claudia's Column

April 2024  
Metro East Unitarian  
Universalist  
Congregation

Hello everyone!

Yet another busy month is on deck here as we race toward summer. I am thrilled to see so many new faces in worship with us. If you see someone new, please say hi in our welcome moment during service and don't forget to greet them during coffee hour!

I know service is starting to feel snug, rest assured that the Board is already discussing plans for maximizing space and you can expect more news on that very soon. Meanwhile, we ask that you consider doing something unheard of and, I know, quite terrifying...and sit up front! Visitors are already intimidated by coming somewhere new, and they are often a few minutes late trying to find us, so the more we can sit toward the front and leave chairs in the back free, or in the pews the more we can scoot toward the middle, the more we can offer a welcoming environment to new people who are finding us for the first time.

Radical hospitality means putting our best foot forward, not to be fake but to really make people feel welcome. It is super scary to walk into a new church, especially if you have had bad experiences with religion, so we want to be extra empathetic and welcoming to our guests. Love your neighbor as yourself from the minute you pull in (saving the front parking for those with mobility challenges) all the way to making sure new faces know about coffee hour and that they have a personal invitation to stay, to sitting up front so there is space in the back for last minute visitors. I know all of this can be uncomfortable for even long-time members, so be gentle with yourself but also be willing to

challenge yourself a little, you already know this is a safe, loving, and welcoming place, now your job is to prove it to others!

Also, please let me know your ideas for improving worship, adult RE, social justice work, really everything about our church. This is YOUR HOME, and we want it to be just as inviting and fabulous for you as for the new people who walk in.

I can't wait to see you for services!

Best,  
Pastor Claudia

On Sunday, March 17, four new members joined the church. Please welcome them and spend some time getting to know each of them.

# President's Column

Greetings my friends...things feel so much lighter these days as the days are longer...there's new growth all around us and Spring is upon us! And speaking of growth...our church continues to grow, bringing in more people who are curious about what it means to be Unitarian Universalist. We are pushing the boundaries of our space which of course means it is time to consider a new location. While our goal is to stay in the Masonic Lodge for as long as is feasible, the Board is exploring a few options, both short and long term. Once we have a basic plan in place we will be discussing these options with you, and present to you a new location for our congregation to consider and on which to vote. Look for information in the near future.

The Board had a virtual retreat a week or so ago and we began exploring our strategic plan...it is bold and exciting and we look forward to sharing that vision with you. In the meantime, if you have a vision for something you'd like to accomplish and you want the church's support, please let us know. This can be social justice, or just social! Let us be a conduit for what you'd like to bring to the community to exemplify our UU Principles!

Love and Light...Robyn

## Unitarianism in Transylvania

There are over 65,000 Unitarians in Transylvania (Romania) and 25,000+ in Hungary. Unitarianism got a foothold in Transylvania in 1568 under the leadership of David Ferenc. The UUA supports UU Congregations in the U.S. that wish to partner (provide financial and other support) with U churches in Transylvania.

Our church member, Robert Kokenyesi, translates sermons from Transylvanian ministers and has provided us with a link to the newsletter prepared for US Partner churches to keep them up to date with happenings in Transylvania. You can join a group from a Partner Church on a visit to Transylvanian churches.

## Sunday Morning Volunteers Needed

We need a number of different people to take on volunteer jobs on Sunday morning. We don't want the same people to have to be responsible every Sunday for seeing that all systems are "GO" for our weekly services – that's how burnout quickly happens.

At the link below is a detailed description of tasks that need doing on Sunday mornings.

<https://docs.google.com/document/d/1cl8jNiI-BFRz9qSaxwRmfKD54ZBLhYuqk3Ur3Bdo-FY/edit>

The chart below is a picture of the signup sheet as of 3/31/24, prepared by [Peg Flach](#) for April. It includes the tasks needed and the times volunteers should be at the Lodge for the specific tasks listed.

Also, there are two Sundays that the sanctuary area will need to be taken down and reset the next week due to the Masons using the space the following Thursday. Take down on 3/31, set up on 4/7 and take down again on 4/7 and set up again on 4/14.

We welcome all children to participate in our Religious Education class held on the 1<sup>st</sup> and 3<sup>rd</sup> Sundays of each month. Children start in the sanctuary, and following the "story for all ages," are invited to attend class in the fellowship hall.

Childcare for children under the age of 5 is available during the service.

Plans for the RE Spring social justice activity are being put in place.

To volunteer to help with the RE program, or if you have any questions about what is offered in the RE program, please get in touch with [Jennifer Lewis](#).
